For School Nurses – By School Nurses: An Open Forum

This workshop will focus on discussions, and networking with fellow school nurses that will result in new strategies and initiatives to improve the delivery of school health services. Attendees are requested to bring questions, concerns, case studies and scenarios to this workshop. Be a part of this unique opportunity. Register early. This workshop will be kept small in order to facilitate discussions and problem-solving.

PLACE: Division Instructional Support Services
Large Conference Room
31 Lee Avenue,
Wheatley Heights, NY 11798

Presenter:
Linda Dychkowski, RN, MS, SNT has been providing School Nursing Professional & Practice Issues workshops and a program of resources, support, and networking opportunities at the LIRSSSC for school nurses and school districts since 2001. Ms. Dychkowski has been a practicing school nurse, an author of school nursing practice issues, and an advocate for the role of nurses in the school for more than twenty years.
